

Appliance Recycling

Recycle your appliance and get \$\$\$

Is it time to replace your older refrigerator or dehumidifier? Do you have a second one that you're not really using? These appliances are wasting your money and taking up space. Let us pick them up for FREE and receive:

\$50 - Fridge / Freezers

\$15 - Room A/C Unit/Dehumidifiers

Schedule your free pick-up by calling **866-341-8729** today.

Due to rising expenses, we can only pick up small appliances, air conditioners, and dehumidifiers when combined with the pick-up of at least one large appliance, such as a refrigerator or freezer.

Contact the Energy Smart program office at **877-674-7281** for more information.
