

SEBEWAING LIGHT AND WATER

Residential Energy Efficiency Program

2025 Incentive Application

Ready to start your project? Follow these 3 simple steps.

Step #1: Make Sure Your Project is Eligible

Check the specifications listed in this application and/or speak with an Energy Smart advisor by calling **877-NRG-SAV1** (877-674-7281) to make sure your project is eligible for Energy Smart incentives. All equipment must be new and installed or operated in a residential dwelling, whose electric service is provided by Sebewaing Light and Water.

Step #2: Complete Your Project

Install your new, energy-efficient equipment, following the specifications listed in this application.

Step #3: Apply for Your Cash Incentive

Once your project is complete, it's time to request your cash incentive. You must submit:

- 1. A completed and signed application
- 2. Itemized invoice(s) for contractor-installed equipment, including installation date, costs for equipment installed and installation labor
- 3. A copy of the invoice or receipt for products purchased by the customer
- 4. The ENERGY STAR® logo for ENERGY STAR certified products or equipment

Your completed application and the required materials listed above must be received by November 30, 2025.

Limited funds are available. Please allow 8-10 weeks to receive your Energy Smart incentive check from the time your completed application is received.

Please submit your documents one of two ways:

Fax 517-203-0658

Email energysmart@franklinenergy.com

Equipment Specifications & Documentation Requirements

Equipment Specifications & Documentation Requirements

GENERAL PROGRAM RULES

This offer is valid only for Sebewaing Light and Water residential electric customers for a limited time. Offer is good while funds are available, on a first-come, first-served basis. Program begins January 1, 2025 and expires December 31, 2025. Sebewaing Light and Water reserves the right to withdraw or change this offer without notice. Incentives may not exceed purchase price. Ineligible incentive requests are subject to denial or repayment to program. Incentive requests must be received by November 30, 2025. Call 877-NRG-SAV1 (877-674-7281) for more information.

EQUIPMENT SPECIFICATIONS

Central Air Conditioning/Heat Pumps: AHRI Certificate required to verify efficiency. SEER2 15.2 or above required.

Cold Climate Heat Pump: AHRI Certificate required to verify efficiency. Must meet both heating and cooling efficiencies. SEER2 15.2 / HSPF2 8.5 or above required.

Minisplit Heat Pump System: AHRI Certificate required to verify efficiency. Incentive is per outdoor unit and is based on the efficiency and capacity of the outdoor unit. Tier 1 qualifications are 15.2 SEER / SEER2 AND 7.8 HSPF / HSPF2. Tier 2 qualifications are 18 SEER / SEER2 and 9.3 HSPF / HSPF2.

ENERGY STAR certified Room/Window AC Unit, Dehumidifier, Refrigerator, Freezer, TV, Monitor, Air Purifier and Personal Computer Products: To verify purchase, please send in a copy of the receipt with the product model numbers on it.

ENERGY STAR certified Heat Pump Water Heater: To verify purchase, please send in a copy of the receipt with the product model numbers on it. Limit 1 incentive per customer.

ENERGY STAR certified Clothes Washer: Must use electric for either water heat or as dryer fuel.

ENERGY STAR certified Electric Clothes Dryer /Heat Pump Clothes Dryer: Must replace a standard efficiency electric clothes dryer. New unit must be high efficiency.

Intelligent Surge Protectors: Does not require ENERGY STAR® certification. The Intelligent Surge Protector must be new and have one or more outlets that have integrated automatic (controlled) shut-off, when connected equipment is not being used (automatic control used to save energy). A copy of the receipt from the store where the intelligent surge protector was purchased is required. Limit 4 rebates per customer.

ENERGY STAR certified Smart Thermostat: Must replace a non-smart thermostat.

Insulation/Air Sealing: Invoice documenting added insulation levels or air sealing activity by area is required.

Windows/Doors: Invoice/receipt with window specification information / equipment model numbers is required.
