Contact name:		Email:	
Name of Installing Contractor:		Phone:	

To Receive Your Rebate for a Custom project please submit the following:

1) Purchase and install qualified equipment.

2) Complete Rebate Worksheet on page 2 and sign application.

3) Include the following documentation with your rebate application: Itemized invoices including: quantities of each product, model and serial number for equipment installed, equipment cost, installation labor if applicable, installation date(s). For Central Air Conditioning and Heat Pumps please attach the specification sheet(s) that clearly state the efficiency rating of the unit(s). You must attach the AHRI Certificate.

4) Send completed application and documentation to: **Sebewaing Light and Water, 110 West Main St., Sebewaing, MI 48759**

5) A check for your incentives will be mailed to you. Please allow 4 to 6 weeks.

Important Information:

This offer is valid only for Sebewaing Light and Water commercial and industrial electric customers for a limited time. Offer is good while funds are available and is on a first come, first serve basis. Program begins January 1, 2016 and expires November 30, 2016. Offer valid on listed items/equipment only. Receipt/Invoice will be used to verify purchase date and/or installation of qualified equipment. Offer redeemable by mail. Sebewaing Light and Water reserves the right to withdraw or change this offer without notice. Rebates may not exceed 50% of total project cost. Rebates are limited to $3,000 per meter per calendar year. Rebate requests must be postmarked by November 30, 2016.

Certifications and Signature

I hereby certify that: 1) The information contained in this application is accurate and complete; 2) All rules of this incentive program have been followed; and 3) I have read and understand the requirements of this application.

I agree to verification of equipment installation which may include a site inspection by a Sebewaing Light and Water representative. I hereby agree to indemnify, hold harmless and release the utility from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein, including liability from any incidental or consequential damages.

Please sign below. Customer signature is required for payment.

2016 Custom C&I Rebate Worksheet

Custom incentives are available to customers for energy-savings projects that are not covered by the Prescriptive program. Custom incentives are based on the first-year energy (kWh) savings.	**Custom Incentive Rate $0.08 / kWh saved**

Custom Project 1

Describe existing situation. List current equipment with kWh usage:	Describe project upgrade and show kWh savings calculations:	Electric Rate ($ / kWh):
		Calculated Annual Energy Savings:
		Project Cost:
		Payback Period*:
		Calculated Incentive:

*Payback period must be greater than or equal to one (1) year and less than eight (8) years to receive the incentive.

Payback period is calculated by: $\frac{\text{Incremental Project Cost}}{\text{(Annual kWh Saved x Electric Rate)}}$

Custom Project 2

Describe existing situation. List current equipment with kWh usage:	Describe project upgrade and show kWh savings calculations:	Electric Rate ($ / kWh):
		Calculated Annual Energy Savings:
		Project Cost:
		Payback Period*:
		Calculated Incentive:

Total Custom Project Cost:	$
Custom Worksheet Incentive TOTAL: (Cannot exceed 50% of total custom project cost)	$
