All Sebewaing Light and Water (SLW) Customers using Credit Cards or EFT (Electronic Fund Transfers) from your bank to pay your SLW utility bill

Dear Customers,

On February 20, 2023, the Village Council approved a policy for Utility Payments using Credit Cards or EFT (Electronic Fund Transfers) from your bank account. This is a pass-through fee charged by our Third-Party Vendor.

This pass-through fee will be in effect for the bills due April 15, 2023 as noted below:

Approved Sebewaing Light and Water - Transaction Fees

Method of Payment	Fee
Credit Cards	2.10%
Credit Card - transaction rejected	\$1.00
Electronic Fund Transfer	\$1.00

For credit card transactions, this is a 2.1% fee based on the total bill. For example, if your entire SLW bill for electric, water, internet, sewer, and trash is \$300 then the service fee charged will be \$6.30. It will be \$2.10 for every \$100.

If you have any questions or would like to discuss other forms of payment, please contact our office at 989.883.2700.

Sincerely,

Charlene Hudson
Superintendent,
