WRITTEN POLICY FOR COMMERCIAL RENTAL DEPOSITS

Effective: November 2020

Sebewaing Light and Water Department requires a Deposit that averages two months of electrical use, minimum \$250.00. Rental Fee to be paid to the Department by anyone interested in renting in the Village of Sebewaing. This rental deposit will be for the Electric & Water Utilities. The deposit will be refunded when you move out of the rental and all cost of collections (including court cost, if necessary) are made.

If you are using Sebewaing Light and Water internet service and want to use one of our Wi-Fi routers, you will be required to pay a \$ 100 rental deposit for that router, separate from the \$250.00 mentioned above.

The deposit(s) will be refunded to you if your account is paid in full, you have returned the Wi-Fi router, if applicable, the router is in working condition and all costs of collections, including court costs, are paid in full.
